HALLMARKS

*Yet I am always with you;
You hold me by my right hand.
You guide me with Your counsel, and afterward You will take me into glory.
Whom have I in heaven but You?
And earth has nothing I desire besides You.
My flesh and my heart may fail, but God is the strength of my heart
and my portion forever.
Psalm 73: 23-26*

Our world could use more people like Alice Malone. My grandmother was taken in to glory on May 27, 2018 at the age of 86. She walked through her days on this earth with a firm hold of Jesus's hand. She lived out a life that showed God as her guide and as the strength of her heart. Her greatest desire was to please her Heavenly Father and it was evidenced in the way she heaped love on any and everyone. My grandma often showed this love by serving those around her. She was selfless and never one for the limelight. Instead, she could be found behind the scenes taking care of everything and everyone. As her flesh began to fail and dementia took her memories and mind from her, she never lost her sweet nature. She lived her life to the end displaying an abundance of care and love for others. I learned so much from her about loving people. When visiting with her, she would constantly tell you how proud she was of you and how much she loved you. She lived a simple life of love that had an extraordinary impact on any and all that knew her. As you leave here today, as you interact with your families, and as you go out into the world... I challenge you to love deeply, to show care for everyone, and to hold firmly the hand of your Savior! He is your portion forever!
